Thanks, Leticia. Please have the other division contact me with the FOIA documents by COB 8/20/12.

Who is the contact at the other division so I may contact them if needed?

Thank you,

It's possible that one other Division may have responsive documents to provide but will not be able to provide today. Did you still want responsive docs sent to you, to forward to requester, if provided at a later date?

Please let me know.

Thank you.

Abbie,

I just noticed the special instructions that you would be the only responder. We sent the last 3 pages from attached document to requester as a partial response.

Response information was from Mike Overbay within the Water Quality Protection Division. [attachment "6WQ records response 06-FOI-00479-12.pdf" deleted by Leigh DeHaven/DC/USEPA/US]

Again my apology.
